

Tasmania

3 Hour Tasman Island Wilderness Cruise

Cruise along the spectacular coastline of the Tasman National Park, between Eaglehawk Neck and Port Arthur for this exciting and authentic three-hour eco-cruise. Experience the highest sea cliffs in the Southern Hemisphere. Enter deep-sea caves; see wonderful wildlife, hundreds of seals, migrating whales and abundant bird species in the thousands. At any time of the year you're likely to see the feeding frenzy of diving gannets, albatrosses and sea eagles, wheeling in the wind, cliff-nesting peregrine falcons and playful dolphins surfing in the bow wave of the boat.
