

# ACROSS THE BORDER

## LOMBOK ISLAND

Spend a day on the small island of Lombok, often described as the 'Bali of Yesterday'. Lying to the east of its better known neighbour, it offers tranquil beaches, unspoilt

villages and tropical countryside, and an intriguing Muslim-based 'Sasak' Culture.

Upon arrival to the island you will be met by your guide and taken on a tour of Lombok. See traditional weaving, handmade pottery and native Sasak villages where unusually shaped thatched houses stand on wooden stilts. In the south you'll find the beautiful white sands of Kuta Beach, fringed by lush vegetation. Last stop is Narmada Summer Palace, built in 1727 by an old Balinese King

You will be taken to the airport / hotel at the end of your tour.
