

Mangrove Forest & Eagle Watching

Experience the wonders of nature at Langkawi's coastal mangrove forest. Starting from a fishing village, the boat journey will take you through the thick mangrove forest fringed by limestone caves and hidden canyon, where you can spot monkeys, kingfishers, monitor lizards and mud crabs. Visit a fish farm before the highlight of watching at least 3 different species of eagles being fed, a scene not to be missed! Set lunch at BarnThai is included.
