

## **Klias Wetland's River Safari**

Travel south for a river cruise at Klias Wetlands. Experience the boat trip along the wetland and mangrove forest reserve in search of long nose Proboscis monkey, rare silver Leaf Monkey, the mischievous Macaques, bats, crocodiles and myriad species of birds that inhabit this unique riverside environment. On a moonless night, be mesmerized by the flickering light of fireflies against the night sky. After dinner, transfer back to hotel.
