

SRI LANKA TO ISSUE MULTIPLE VISAS TO FOREIGN INVESTORS

In order to encourage more foreign investment, Sri Lanka, will soon start issuing multiple entry visas to foreign businessmen. Visa will be issued to encourage foreign investors who have already begun businesses or expecting to embark on investments in Sri Lanka. The multiple visas will be issued on recommendations of the embassies representing the countries of the applicants.

Sri Lanka has also proposed doing away with visa on arrival for nationals from over 85 countries. This was to come into effect from October.
