

HEARTLANDS TRAIL SHOP AND EAT

Discover how Singaporeans truly shop and eat. Come relaxed and let us bring you to **Toa Payoh** - Singapore's most colourful suburban town, and **Holland Village** - a truly bohemian enclave. You'll be pleasantly surprised by the best local offerings from arts, carpets and antiques, to fashion apparel and accessories.

Let us tuck you into delicious local dishes like Singapore's famous **Laksa** (rice noodles and mixed seafood in spicy coconut milk gravy) or **Nasi Lemak** (fragrant coconut rice with spicy Sambal and condiments like fried fish, eggs and cucumber) at a traditional coffee shop. It's an experience you can't miss out!
