

## HARBOUR CRUISE

The renowned Chinese Admiral Cheng Ho (Zeng He), holds an honorable place in the Chinese history as he visited parts of the world as the emissary of the Emperor of China in the 15th century. An exact replica of the famous **Imperial Vessel** of the Ming Dynasty, the Da Fu, **M.V. Cheng Ho**, allows you to sail in modern comfort and safety.

Passengers on the day cruises will stop at the **Kusu Island**, or Turtle Island, (except during the annual Kusu pilgrimage) to explore the **Chinese Temple**, Terrapin Sanctuary and Malay Shrine - the blissful blending of different religion that makes Singapore so unique. Your journey then continues past Lazarus, a popular weekend getaway for picnickers and divers, before returning to Singapore.

**Note:** Transfers are not included, please be at Marina South Pier 20 minutes before actual departure time.
